

12:45 - 14:15 - Parallel Session 5, 6 & 7

Session 7: Climate and Development

About the Climate and Development Study Group

This newly initiated study group for Climate and Development (C&D) brings together researchers, professionals and other relevant interested parties to enter dialogue and share ideas relating to this prominent area scholarship and practice. The aim is to collaborate on an inter-varsity and multi-disciplinary level to increase engagement, awareness and output. In an era when the areas that humankind is occupying is both expanding (outer space) and eroding (island states) simultaneously, this study group addresses a number of issues concerning climate and development.
